

HB 1189 -- HIGH SCHOOL GRADUATION REQUIREMENTS

SPONSOR: Wood

This bill requires the Department of Elementary and Secondary Education to develop, by July 1, 2015, a high school graduation policy that allows a student to fulfill one unit of academic credit with an agriculture or career and technical education course approved by the student's school district for up to four credits, one each in communications arts, mathematics, science, and social studies. The policy must be in addition to the optional waiver of one unit of academic credit for a three-unit career and technical program of studies.
